SCHOLARSHIP DONATIONS

OUR RESULTS

While fundraising has been difficult as a start up, we've worked hard to network within the private sector and leverage our relationships with corporate sponsors. Using these donations, we have been able to continue our entrepreneurial and leadership programs for underserved youth in Illinois and Indiana while maintaining a high level of positive performance metrics.

POSITIVE PERFORMANCE MEASURES

Future Cycle Breakers outperform peers:

BREAKING CYCLES

1. Sense of purpose and direction
2. Better self esteem
3. Reduced negative thinking
4. More confident
5. Sets goals
6. Turns mistakes into opportunities
7. Improved resilience
8. Not easily distracted
9. Focuses on the good
10. More patient

BOLD LEADERS

1. Leadership
2. Positive relationship with adults
3. Stands up for fairness and beliefs
4. Civic efficacy

ENTREPRENEUR MINDSET

1. Wants to start a business
2. Believes the impossible is possible
3. Excited about becoming a boss
4. Believes in creating generational wealth
